

# Dope Pot

By Proxy.

Drop a tear, drop a tear. Our assistant has departed for a few days and left us as lonely as a bottle of gin in the W.C.T.U. office. Not only do we miss his sterling qualities and cheery smile, but we have to do his work. Thus we offer this explanation and apology to the readers, if any, and do sincerely beg them to pardon the deficiencies of this column as being the work of the uninitiate.

It would seem that Purdue has the class of the Big Ten as far as cage teams go. They beat Michigan 35 to 26 on Saturday night to win their fourth straight game; and as yet they have no conference defeat chalked up against them. Osterbaan of all-American end fame, played some good basketball through getting a total of 15 points to be high point man of the contest.

When it comes to hockey, Duluth has the cream of the loop. Minneapolis has a good outfit but when they meet St. Paul they suffer stage fright or something similar. In any event they usually suffer a defeat.

"Dancing Badger Dervishes Trounce Gophers"—Headline in the St. Paul Pioneer Press. We understand that Ted Shawn was the star of the contest.

This department has always wanted to make its own headlines. One we have particularly desired to run is "Pank Pinches Premiere Place." The editors has agreed to let us run this in case Pank does pinch the premiere place when the Maize cinder squad journeys to Faribault a week from next Saturday to meet Shattuck. Also please remember that Shattuck comes here next Saturday to meet the juniors and seniors in a dual meet. Although there is no grandstand underneath the place, there should be enough room to accommodate all who may come down to take a look at the Carleton speedsters.

It may also interest some of our athletes to know that there is, underneath the stadium, a horse-shoe court, (we are not certain if this is the correct word. Would someone be kind enough to inform us? Box 448), where the local stars have been holding forth. Judging from the brand of horse-shoe displayed it would seem that all of Carleton's students are not urban dwellers.

That brings us to another item of interest for the sports followers. Tiddly-winks was introduced to the Carleton sports world soon after the football season ended and has been in high favor ever since. The brand of tiddly-winks displayed has brought much favor from the national authorities. Ray Smith heads the field in all-around playing ability, but he is closely followed by Ralph Hall and Lidstrand.

A London scientist has shown that when a sprinter runs the hundred in 10.45 seconds he develops enough energy to jump 650 feet into the air. Now if he can only show how one is to jump that 650 feet his name would go reeling down through the ages as really famous.

Rumor has it that Captain Bob Reay will not be able to run next Saturday because of an injury to his ankle which has been slow in healing. This dims the Carleton chances considerably when the juniors and seniors meet Shattuck in the Laird field house next Saturday.

STATE COLLEGE ORATORS MEET IN CHAPEL TONIGHT (Continued from page 1, col. 6)

The champion of this debate will represent Minnesota at the interstate divisional contest, which is to be held at the winning college in Iowa, April 6. Here he will meet orators from Iowa, Nebraska, North and South Dakota. The two high ranking speakers of this contest will go to Northwestern university, where they will meet the winners of similar divisions for the championship of the Interstate Oratorical association. This is composed of colleges from fifteen states.

Ellis Yale of Cannon Falls will uphold the record of Carleton. He has been hard at work recently putting the final polish on his oration and its delivery. He is a sophomore, and was recently elected president by his classmates. As a senior in high school, he was a member of the champion debating team in Minnesota. His experience as teacher of English at the Carleton mission school in China, has given him an interesting background.

Myron Burton, of Forest Hills, L. I., New York, has been in charge of the preparation. He represents Carleton in the State Oratorical association, and as treasurer of that organization, he will have the charge of the financial end of the coming contest.

Carleton's past record in such contests as the approaching one has been one of brilliant achievement. Since 1881, orators of this college have taken 27 first places. Since 1917, every first place but one has been taken by Carleton men. The contest last year, which was held at Hamline, resulted in a victory for Harry Wingate of this college, who later took second place in the finals of the interstate oratorical contest.

## FROSH DOWN SHADS IN EASY VICTORY

Perrin High Point Man, Followed By Leach and Crawford.

The Carleton freshman team easily defeated Shattuck on the latter's floor last Saturday afternoon. Carleton scored almost at will throughout the first half, with a score of 23-3. In the second half, Coach Osborne B. Cowles substituted the second team which, although it did not score as steadily as its predecessors, managed to outscore the opponents 11 points to 7.

Leach started the scoring for the freshmen almost immediately after the whistle at the start. He followed with another almost as soon as a neat pass from Crawford. Perrin took up Leach's burden from there and dropped in four nice shots from near the basket. Then Crawford, not to be outdone, put three in the hoop in succession.

The Shattuck basketeers were only able to produce a single basket and a like number of free throws throughout the first half. In the second half, Shattuck scored two more baskets mixed with three free tosses.

### Second Half.

In the second half, Perrin, who was acting captain, continued his first half act by dropping in two more baskets and did some excellent work on the floor. Perrin was also high point man with a total of fourteen points on six field goals and two gift shots. Along with Perrin, Leach and Crawford held their own for scoring, the former with six points and the latter with nine points. If it had not been for the tight defensive work of Dell Leibsolm and "Maggie" Bolander, the score doubtlessly would have been different. Although neither scored, they more than made up for it by their splendid work in guarding the enemy from making easy shots.

Up to this game, the Shattuck team had won ten consecutive games with teams in southern Minnesota.

### Lineup.

Carleton Frosh— Shattuck 1st— Perrin (C).....R. F.....Harkinson Leach.....L. F.....Witzenberger Crawford.....C.....Speer Leibsolm.....R. G.....Adams Bolander.....L. G.....Krahmer Summary (Carleton Subs)—Blome for Leach, Wilson for Leach, Broberg for Leibsolm, Walker for Bolander. (Shattuck Subs)—Cox for Harkinson and Stockwell for Witzenberger.

Scoring for Carleton: F. G. Perrin 6, Crawford 4, Wilson and Broberg.

Free throws Carleton: Perrin 2, Nilson and Crawford.

Shattuck scoring: F. G. Stockwell, Speer, Krahmer. Free throws: Speer 2, Witzenberger and Krahmer.

An orchestra composed of University of Michigan students is booked to play on the Dollar line steamship, the President Jackson, which sailed from San Francisco January 13. They will touch the Hawaiian islands, the Philippines and China and Japan. They will return to Seattle March 12.

LOST—A pair of man's brown leather, fur-lined gloves. Return to the Book store.

## Millen's Protesges Point For Shattuck Fracas

Juniors and Seniors Will Meet Prep School.

In view of the coming meet with Shattuck, the local tracksters are practicing religiously to be in prime condition for the occasion. The juniors and seniors will be the only ones competing for Carleton, as Coach John M. Millen has decided to have as much mercy on the Shads as possible by calling off the sophs.

However, Carleton will not have as easy a time as one might think, as Bob Reay is out of the running for at least another week and will not compete next Saturday. Also, Shattuck is reported to be exceptionally strong in the shot put, the high jump, and the half mile events. Earl Klenk has been groomed to take the place of Captain Reay, and will run the hurdles in the meet.

The track itself is in fairly good condition. Coach Millen has been experimenting with the banks, as they are not as perfect as they might be. The straightaways are excellent.

The track schedule for the coming season is as follows: Feb. 18, Shattuck vs. Carleton juniors and seniors, at Carleton. Feb. 25, Shattuck vs. Carleton juniors and seniors, at Shattuck. March 3, Minnesota at Minnesota. March 17, The Illinois relays. April 21, the Kansas relays. April 28, the Drake relays. May 5, Grinnell at Carleton. May 12, Cornell at Carleton. May 19, Coe at Coe. May 26, Inter-scholastic meet at Carleton.

## It costs a lot, but Camel must have the best

It is true that Camel is the quality cigarette, but it costs to make it so. To make Camel the favorite that it is, costs the choicest crops of Turkish and Domestic tobaccos grown. It requires the expense of a blending that leaves nothing undone in the liberation of tobacco taste and fragrance.

But the fame that Camel has won is worth all the trouble. It has brought modern smokers a new realization of excellence. They are particular and fastidious and they place Camel first.

Your taste will delight itself in these choice tobaccos. Camels get better the more of them you smoke. Their subtle tastes are unfolded by experience. They are always delightfully smooth.

"Have a Camel!"
